

8<sup>th</sup> Annual  
**Advanced Permaculture  
Course in  
Teaching**  
*with*  
**Jude Hobbs & Tom Ward**  
**June 5-11, 2008**

**Empower yourself to advocate for sustainable living and design!**

In this dynamic, interactive, and fun course, learn powerful teaching techniques that communicate whole-systems education and Permaculture principles for a wide variety of settings.

This Teacher Training unfolds like a design methodology and supports the Permaculture Design Course Curriculum by modeling various teaching techniques. We believe each course or workshop to be taught, needs to address unique local conditions. Each participant will offer several presentations, providing essential hands-on practice.

Jude and Tom have a combined experience of over 40 years of teaching and design. Their commitment to encouraging diverse learning and teaching styles guides the participants to develop, with confidence, their unique strengths and talents.

This course is certified by the Cascadia Permaculture Institute.

**Course Topics Include:**

Philosophy and Ethics of Instruction  
Planning, Marketing, and Economics  
Organizing Curriculum and Resources  
Teaching Space Logistics  
Presentations and Facilitators Roles  
Exercises and Media Aids  
Evaluations and Feedback

Teaching Systems, Principles and Patterns  
Adult Learning Styles  
Integrating Gender Balance  
Team Teaching  
Time Management  
Interns and Apprentices  
Keeping Up The Spirit

**Jude Hobbs** is a horticulturist, Permaculture designer, and co-founder of Cascadia Permaculture Institute. Since 1982, she has provided whole system design solutions for urban and rural settings. Jude has taught Permaculture workshops and courses, in the private and public sectors, developing curricula that encompass diverse learning styles. She is the author of the OSU Bulletin: *A Guide to Multi-Functional Hedgerows*. Jude tends a diverse 7.5 acre site in Cottage Grove Oregon.
