

Introduction to Permaculture

a Las Vegas Conference
January 28-30, 2011

Featuring Scott Pittman
founder of the Permaculture Institute

“ Permaculture is an ecological design system for sustainability in all aspects of human endeavor. It teaches us how build natural homes, grow our own food, restore diminished landscapes and ecosystems, catch rainwater, build communities and much more.”

- Two and a half days of educational sessions and networking
- Class sessions and hands-on workshops in the field
- Continental breakfasts, vegan lunches, wine reception
- Meet designers, gardeners, educators and others building a sustainable community

When: January 28-30, 2010

Where: Gaia Flowers · Gifts · Art
4 E. Charleston Blvd.
Las Vegas, NV 89104
