

Seeking an Exceptional 7/8th Grade Teacher (Math / Science)

Our 56-acre property is located in picturesque Occidental, CA. Our campus is ringed by soaring redwoods, trails, and a year-round creek that are perfect for exploration and learning. Our school also has a large educational [organic garden](#), which serves as the basis for our Farm to School curriculum and supplies fresh produce for the school lunch program. We are committed to place, project and service-based learning.

We are seeking an educator who is eager to incorporate our abundant natural resources into his/her curriculum and help lead our school in this direction. Knowledge of the Common Core and Next Generation Science Standards is essential, along with a commitment to differentiating curriculum and instruction. Our ideal candidate is technologically savvy, an excellent communicator, and enthusiastic about collaborating with grade level colleagues.

A bachelor's degree, including all courses needed to meet and maintain credential requirements, as well as a Multiple Subject California Credential and/or a Single Subject California Credential with appropriate authorization for the subject area will be required for this position. The candidate must also be a Highly Qualified Teacher as defined by state and/or federal guidelines, or have the potential to earn such qualifications in a timely manner.

Harmony Union School District consists of two schools (Salmon Creek Charter School and Harmony Elementary) that share a campus. Our campus is 20 minutes from the Pacific Ocean, an hour north of San Francisco in beautiful West Sonoma County. Our educators are passionate teachers who are creative, forward-thinking, and collaborative. If this sounds like an environment where you would excel, we encourage you to apply at Harmony Union School District's website, on [edjoin.org](#), or by emailing Missy Calvi mcalvi@harmony.k12.ca.us for an application.
