

Environmental Concern and The Oak Grove School present:

WOW! The Wonders of Wetlands and *POW! The Planning of Wetlands*

educator workshops

WOW! introduces you to basic wetland ecology, including soil, water, and plants, as well as wetland functions and values through fun and interactive activities in lesson plan format. Bring wetlands alive and into the classroom!

Studies show that habitat programs help boost academic achievement! POW! takes you through the process of building a schoolyard wetland from start to finish using 25 exciting student activities in lesson plan format.
