Fresh celebrates the farmers, thinkers and business people across America who are re-inventing our food system. Among several main characters, FRESH features urban farmer and activist, **Will Allen**, the recipient of MacArthur's 2008 Genius Award; sustainable farmer and entrepreneur, **Joel Salatin**, made famous by **Michael Pollan's** book, the Omnivore's Dilemma; and supermarket owner, **David Ball**, challenging our Wal-Mart dominated economy.

From their website:

FRESH is a call to action; it means to inspire its viewers to positive change, not scare them into a terrified complacency. We will bring together farmers, activists, chefs, and policy-makers, all working to create a more healthy, tasty, and sustainable future. Please join us, not just as part of an audience, but as part of a movement to better our food system, and to bring about a new vision, a new paradigm, a new reality, one that works for everyone.
