YANN ARTHUS-BERTRAND

Thursday, July 9, 7pm
at Cafe Vio in Paso Robles
\$5-\$10 with discussion afterwards
Drinks, Sandwiches,
Snacks & Dinner are available
434-3950

Filmmaker Yann Arthus-Bertrand says, "What our planet will be like in some 20-30 years is absolutely unknown. If humanity doesn't stop its destructive influence on nature, we will soon find ourselves in a different alien world, inadequate for life. "It's too late to be a pessimist".
