

# Zero Waste Business Conference

Marina Village Conference Center  
San Diego

Wednesday, February 24, 2010

Top business and environmental experts will show how Zero Waste strategies can save businesses money and aid compliance with county and upcoming state commercial source separation requirements, while benefiting the environment and public health.

**Keynotes: Charles Moore, Algalita Marine Research Foundation** (discovered Pacific Garbage Patch) and **Ryan McMullan, Toyota Environmental Resource Specialist**

*Presented by Zero Waste San Diego and  
Earth Resource Foundation*

Register at [www.EarthResource.org](http://www.EarthResource.org)  
or call (949) 645-5163
