*"Planning your garden
for saving seeds"*

LOCATION: Nipomo Mesa 1-3pm
480 Calle Cielo

In this workshop: review of seedsaving basics & recordkeeping, garden considerations - soil, sun, shape, climate, spacing, number of plants for seeds, self-pollinating varieties, and related issues. We will get our hands in the dirt by planting a garden bed for seed production.

Cindy Jelinek is a long-time member of Seed Savers Exchange, president of Nipomo Native Garden, and self-sustaining gardener who always has new beans to try every year.
