## **Meet with our local schools' Food Service Directors**

SLO County public schools' Food Services Directors will share their efforts in scratch cooking, local food sourcing, and the CA Thursdays campaign. Short panel followed by a round table discussion with audience participation..

Everyone who is interested in Farm-to-School is invited to participate! Farmers, students, parents, teachers, admin, community members.... Our intention is to hold space to help connect and further Food Service Directors' efforts.

## **What is the Food System Coalition?**

We are a community group working to create a sustainable food system that is equitable, profitable, resilient, and health-promoting. For more information, visit [slofoodsystem.org](http://slofoodsystem.org).
