

SHOWERS OF HOPE

Join Hope's Village in launching a mobile shower program!

Did you know there are no public showers in SLO? Many of our unhoused neighbors lack access to a shower for months at a time.

Hope's Village of SLO is bringing a wonderful gift to people suffering homelessness in our community. Our volunteer-run program will provide a clean and accessible portable shower for people who live on the streets.

Together, we can help bring dignity, hygiene, and a "fresh clean start" to those who need it most!

Every drop counts!

Your tax-deductible donation can help us reach our goal. 100% of donations will go directly to purchasing a mobile shower unit for San Luis Obispo.

Donations accepted via PayPal at www.hopesvillageofslo.com

Or you can send a check to:
