

PERMACULTURE

DESIGN CERTIFICATION COURSE

DESIGNING FOR CHANGE

SEPT
16-29
2019

EARTH CARE • PEOPLE CARE • FAIR SHARE

WOULD YOU LIKE TO MAKE A DIFFERENCE and leave our planet better than you found it? Immerse yourself in hands-on permaculture in action.

Learn to design for abundant water, living soils, renewable energy, healthy plants, water harvesting earthworks, natural building, community living, and creating the conditions for a life based on the patterns in nature—all while immersed in the daily life of the Sunburst community.

INSTRUCTORS: Loren Luyendyk of Permaculture Design International, with additional specialists and professionals (more details on reverse).

SUGGESTED DONATION: \$1350 covers all instruction, meals, and onsite camping. Scholarships, work trade, and payment plans available.

LOCATION: Sunburst Sanctuary, a majestic ranch in Coastal Central California.

INFO AND REGISTRATION: SUNBURST.ORG/PDC

MEET SOME OF THE INSTRUCTORS

Loren Luyendyk; Lead Instructor

CERTIFIED ARBORIST AND PERMACULTURE EDUCATOR

Loren Luyendyk is a Certified Arborist and Permaculture Educator, with 20 years of practical experience in permaculture design, sustainability, and horticulture. Loren has experience in the fields of Organic and Biodynamic Farming, Arboriculture, Agroecology, Keyline® Design, Holistic Management, natural building, and soil microbiology.

Sean Fennell

PERMACULTURE INSTRUCTOR, LECTURER, DESIGNER & LAND STEWARD; SUNBURST

Sean's passion for permaculture led him to recently complete his permaculture teacher certification training. He has worked on many permaculture, holistic and regenerative projects; offers lectures and classes; and works on Sunburst's agricultural development. "My greatest thrill is co-creating with Spirit & Nature in the field of infinite possibilities."

Betty Seaman

NATURAL BUILDER AND INSTRUCTOR

Betty is a gifted teacher with 20 years of experience in the field. She lives with her family, goats, chickens, horses, and dogs, off-grid in the mountains of Southern California where she has built a sustainable cob homestead. In addition to her deeply embodied understanding of earthen building and permaculture, Betty has a magical ability to create great beauty and utility out of the least resources and the most imagination.

Heiko Wirtz

LAND STEWARD & RANCH MANAGER, SUNBURST

Heiko has been tirelessly observing and caring for the needs of Sunburst's land, people, livestock, and facilities since 1997. After taking his first Permaculture Design Certification Course in 2014, he has been serving as Sunburst's ranch manager and actively supporting holistic approaches in Sunburst's agricultural and community endeavors.

Sandy Anderson

HERBALIST & NATURE LOVER, SUNBURST

Sandy first started learning about medicinal herbs when she moved to Sunburst Farm in 1971. Since then, she has been enthusiastically growing, gathering, and drinking tea from the wild herbs she loves. Sandy studied under Rosemary Gladstar, completing her herbalism apprenticeship in 2010.
