

October 22, 2016, 10 - 12 am
Mesa Harmony Garden, Dolores Drive, Mesa

GROW MORE FOOD WITH LESS WORK

*Join us to help design a new perennial
vegetable garden*

- What should we be planting, and why?
- What are your favorite perennial vegetables?
- What would be an optimal design for the garden?
- Do you have any plants you could contribute?

Bring your imaginations and practical suggestions to this
design charrette and workshop.
